PURCHASE VACANT LAND,	§	
MONTGOMERY COUNTY, TEXAS	§	16.59 ACRES

FINAL ORDER OF LAND COMMISSIONER PURSUANT TO TEXAS NATURAL RESOURCES CODE SECTION § 51.188

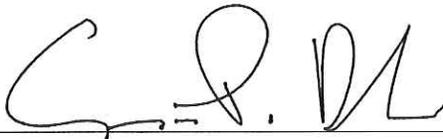

On July 8, 2016, Brandon Goodyk on behalf of The Bluejack Company, LLC (Applicant) filed an application to purchase vacant land (Application) with the General Land Office under the provisions of Texas Natural Resources Code (TNRC), Chapter 51, Subchapter E § 51.171 *et. seq.* Sale and Lease of Vacancies, said land described as follows:

All that land bounded on the north by the Ambrose Tinny Labor, Abstract No. 551; on the east by the William Miller Survey, Abstract No. 384; on the south by the Thomas C. Bradberry Survey, Abstract No. 91; and on the west by the Charles Weaver Survey, Abstract No. 624.

No exceptions to the Application were received by the General Land Office (GLO). Since no valid exceptions are on file at the GLO contesting the Application under TNRC § 51.182 or § 51.186(b), a hearing was not required under TNRC § 51.187. Upon careful review of the Application, survey documents, and the records of the General Land Office Surveying and Archives and Records Divisions, I do hereby adopt the recommended Findings of Fact and Conclusions of Law, which are attached to the Final Order and incorporated herein in their entirety.

I therefore hereby issue a Final Order finding 16.59 acres of VACANT LAND in this matter pursuant to Section 51.188 of the Texas Natural Resources Code.

Signed by order and authority of the Commissioner of the General Land Office this 10<sup>th</sup> day of August, 2020.

GEORGE P. BUSH  
COMMISSIONER, TEXAS GENERAL LAND OFFICE
